

Monthly Tutoring Progress Report

Google Classroom Integrated Tutee Evaluation

ACADEMIC CYCLE
October 2026

STUDENT NAME [Student Full Name]	GRADE / LEVEL Grade 10 (Advanced)	SUBJECT & COURSE Mathematics (Algebra II)	GOOGLE CLASSROOM ID gc-mth-9842
-------------------------------------	--------------------------------------	--	------------------------------------

12 / 12 Sessions Attended	94% Homework Average	88% Summative Score	100% Punctuality Rate
------------------------------	-------------------------	------------------------	--------------------------

Curriculum & Topics Covered (12 Sessions)

DATE / WEEK	CORE TOPICS COVERED	CLASSROOM ASSIGNMENT REF	STATUS
Oct 02 – Oct 06	Quadratic Equations, Factorization & Quadratic Formula	GC-HW #09: Vertex & Roots	Mastered
Oct 09 – Oct 13	Polynomial Functions, Long Division & Synthetic Division	GC-HW #10: Polynomial Roots	Mastered
Oct 16 – Oct 20	Rational Expressions & Solving Complex Equations	GC-HW #11: Rational Functions	In Review
Oct 23 – Oct 27	Summative Monthly Review, Diagnostic Test & Error Analysis	GC-REV #04: Diagnostic Exam	Completed

Assessment & Task Performance

Formative & Homework Average 94% (47 / 50) Synchronized with Google Classroom: 8 homework modules submitted on time with consistent procedural clarity.	Monthly Summative Exam 88% (88 / 100) Administered Oct 27. Excellent performance on factoring quadratics; minor calculation slips on rational denominators.
---	---

Instructor Remarks & Observations

Academic Engagement: [Student Name] has displayed high enthusiasm and steady conceptual growth this month. Participation during 1-on-1 problem-solving drills is active and articulate. They demonstrate deep confidence when tackling standard algebraic reductions. Focus Areas: Continued focus is recommended on verifying extraneous roots when solving rational functions. Overall work ethic and submission consistency via Google Classroom remain commendable.

Targeted Support for Next Month - Reinforce asymptotes and rational expressions - Timed practice sets for multi-step equation solving	Parent Recommendations - Review Google Classroom assignment feedback tags - Ensure weekly 15-minute formula sheet review at home
